Public Service Accomplishments & Attributes

- Supported balanced budgets throughout service on City Council
- Helped reach an agreement for a successful Automatic Aid Agreement for City/County fire departments where the closest fire engine answers the call
- Accomplished an agreement with the County for a funding mechanism for State mandated nitrate clean-up and support voluntary annexation when homes are required to hook up to the sewer
- Initiated a Town/Gown committee with Butte College and CSUC
- Initiated a formal City Council Veteran's Committee position
- Accomplished fiscal savings for the City by ensuring that the City only paid Humboldt Road Burn Dump cleanup costs on City property and not on private property
- Reputation for being thorough, independent, reasonable, and respected. Always prepared for meetings and respectful of all citizens and their ideas and suggestions
